Limitless Sports Inc.

Dear Friends of Limitless Sports Inc.,

One year ago, Limitless Sports Inc., a 501(c)3 nonprofit, began with a simple vision: to create opportunities for individuals of all abilities to be active, build friendships, try new things, and experience a true sense of belonging.

Thanks to your support, that vision became a reality.

In our first year, our athletes had the opportunity to experience:

Dance • Yoga • Karate • Basketball • Track • Baseball • Soccer • Community Outings & More!

Along the way, we watched athletes try something new for the first time, develop new skills, build confidence, form friendships, and most importantly, have fun together.

For those who supported Limitless Sports Inc. during our first year, you helped make these moments possible. On the accompanying Year One Impact page, you'll see more of what we accomplished together, along with some of the faces behind those accomplishments. And we're just getting started!

As we begin Year Two, we want to build on what our community helped create. With your support, our goals include:

- Making Safety a Priority
  - Purchase an AED
  - Provide CPR & First Aid training for our recurring volunteers
- Finding a Permanent Home for Limitless Sports Inc.
  - A safe location away from busy main roads
  - Fenced-in outdoor areas
  - Dedicated sensory and quiet spaces
  - Room to safely play, move, socialize, and grow

Limitless Sports Inc.

    - A space designed around the needs of our athletes
- Creating More Experiences
    - Offer a variety of community outings throughout the year in addition to regular weekly programming
    - Give athletes opportunities to experience new activities together
    - Continue providing social opportunities and allowing friendships to flourish between neurotypical and neurodiverse individuals
- Keeping Limitless Sports Inc. Affordable & Accessible
    - Offset the cost of programs and community outings
    - Continue providing scholarships
    - Help ensure finances don't prevent an athlete from participating
- Investing in Our Volunteers & Program Quality
    - Transition from a 100% volunteer-based model to offering stipends for select program roles
    - Attract and retain qualified individuals to help lead and support our programs

Whether you supported us when Limitless Sports Inc. was just getting started or are considering a gift for the first time, we hope you will consider supporting our athletes as we begin Year Two. Every gift creates another opportunity to participate, experience something new, build friendships, and belong.

For individuals, families, and businesses interested in making an even greater impact, we have also included a Sponsorship Opportunities page outlining additional ways to support Limitless Sports Inc. in Year Two. These sponsorships will help us continue growing our programs, creating new experiences, and providing more opportunities for our athletes.

We also recognize that a financial contribution may not be possible for everyone this year. **There are many ways to make a difference!** Sharing our mission, spreading the word about our programs and volunteer opportunities, or connecting us with individuals and businesses who believe in what we do can have a meaningful impact. **Every new connection**

Limitless Sports Inc.

helps us expand our reach, strengthen our community, and create more opportunities for individuals of all abilities.

We are sharing our Year Two message through both email and traditional mail because we recognize people have different preferences for staying connected. If you receive this message twice, it is simply our way of making sure everyone in the Limitless Sports Inc. community has an opportunity to see what their support has helped create and where we hope to go next.

Thank you for believing in Limitless Sports Inc., our mission, and most importantly, our athletes. We are incredibly proud of what our community accomplished in Year One.

We can't wait to see what's possible in Year Two.

With Limitless Possibilities,
Alyssa Galligan (Brown)
