- **Honor the Mission** – Support a safe, inclusive environment where every child can succeed at their own pace.
- **Communicate Kindly** – Use respectful language in all interactions and raise concerns calmly and privately.
- **Stay Involved** – Notify staff of any changes or concerns, and communicate openly about my expectations of the program and how I think my child can be best supported.
- **Celebrate Inclusion** – Encourage teamwork, effort, and sportsmanship over competition or winning.
- **Model Good Behavior** – Set a positive example for my child and others by treating everyone with respect.
- **Follow Safety Rules** – Abide by all site, health, and program guidelines (including clearance policies if volunteering with children other than your own).
